Building Regulations Explained (Builders' Bookshelf) London District Surveyors Association, John Stephenson

This fully revised essential reference takes into account all important aspects of building control, including new legislation up to Spring 2000 with important revisions to parts B, K, M and N. Each chapter explains the approved document. Publication lists and relevant sources of information are also included, together with annexes devoted to legislation relevant to the construction industry, determinations made by the Secretary of State and sample check lists.

Building Regulations Explained will be of wide appeal to architects, planners, surveyors, builders, building control professionals (including new non-NHBC approved inspectors), regulators and students.
