MAGICAL MUSIC FOR PIANO DUET - AND YOU PLAY EITHER PART!

Gabriel Fauré's magical 'Dolly' Suite was composed for Fauré's wife and quickly became famous for its enchanting melodies and relatively simple parts. The French master's compositions are always lovely, lilting creations, and this is no exception. Magical!

Includes complete printed music score with both primo and secondo piano parts, and a compact disc featuring the duets in two formats: split-channel stereo with secondo part on the left channel, primo on the right, so you can play either part; and then again with just the secondo part in stereo so you can perform the primo part alongside.

An MMO compact disc is a recording of a selection, or a concerto, performed by full orchestra or chamber ensemble or jazz band, to which you would contribute the solo part, using the sheet music provided with each album. Perfect for practice, rehearsal, auditions, performances and more!
