Clean House: Exposing Our Government's Secrets and Lies Tom Fitton

From the *New York Times* bestselling author of *The Corruption Chronicles* comes a devastating expose of the scandals of Obama's second term. Judicial Watch President Tom Fitton reveals what the largest watchdog agency in America has uncovered in its battles against Obama secrecy.

Clean House takes us through never-before-seen incriminating documents from the attack in Benghazi, Hillary Clinton's secret emails, the IRS scandal, and the Obamacare swindle.

As the president of Judicial Watch, America's largest non-partisan government watchdog, Tom Fitton has investigated the Clinton, Bush, and Obama administrations. Judicial Watch is the group that helped impeach Bill Clinton and took the Bush White House secrecy all the way up to the Supreme Court. Since the beginning of the Obama administration, this grassroots group has filed over 700 open records demands and dozens of lawsuits, including a successful fight over the secret Obama White House visitor logs.

Americans are rightly worried they are losing their country. How did five Congressional committees miss the smoking gun on Benghazi? How did Hillary Clinton keep a secret email server quiet for years? Does the IRS audit you because of your politics? Did the first American target of Obama's drone program work for the US government? How did Congress commit fraud to get Obamacare taxpayer subsidies?

In *Clean House*, Tom Fitton answers these questions and provides shocking evidence of the corruption endemic to the Obama White House.
