A visual resource that profiles the best and most popular designs from the golden age of American millwork, this collection showcases authentic moldings from the Victorian, Arts and Crafts, Period Revival, and Eclectic eras of style. Taking the guesswork out of selecting appropriate millwork for any home, this reference features more than 500 moldings and categorizes them by original date, maximizing ease of use. From beam ceiling details and window casings to rosettes, wainscots, and cornice and crown moldings, this manual can be adapted to any type of home, including Spanish, Prairie, Tudor, French or Mission style. Further resources include a brief history of the key types of moldings and a look at how molding catalogs have changed throughout time.
