This book and online audio recordings s intended to be a tune repertoire book. It includes over 100 Old-Time festival favorites. Some are cliché, others unusual, some easy, some difficult. This mandolin book includes two lines of standard notation -- basic and advanced - as well as a mandolin tab line that can be interpreted for fiddle also. The basic version should be playable by those with general skills. The advanced version will require more time and finesse as it is more ornamental (often more than just melodic) and may include less than intuitive ways of playing some passages.
