Democracy and Prebendalism in Nigeria: Critical Interpretations

Democracy and Prebendalism in Nigeria: Critical Interpretations

Celebrating the original publication of Richard Joseph's seminal book *Democracy and Prebendal Politics in Nigeria*, this state-of-the-field collection brings together leading scholars of Nigeria for a creative and robust engagement with the nation's experiments and experiences with liberal democracy. They explore a range of issues central to Nigerian politics today, including major developments since the 1980s, the role of petroleum, factors related to religion and class, and the question of whether prebendal clientelism is even a useful model for understanding the current state of Nigerian democracy. Across varied methodologies and disciplinary backgrounds, these and other pertinent questions receive a penetrating and comprehensive analysis.
