Every Pot Has a Cover intends to help individuals achieve the insight needed to find and keep a suitable life partner. There is finally solid research that indicates why some marriages are successful and others are not?the key is compatibility. A successful marriage demands a commitment to understanding one's own unique personality profile and realizing that while opposites have certain attractions, life mates should share many similarities. This book explains current research and enables readers to assess levels of personality compatibility. For over 20 years, Dr. Michael J. Salamon has worked as a clinician and researcher whose primary interests have been personality relationships and life-satisfaction. As a result, this book focuses mainly on the following areas; an understanding of personality traits, attributes and disorders and how they impact relationships, a test to measure personality compatibility, and how to strengthen a relationship once there is compatibility.
