Read the Beatles: Classic and New Writings on the Beatles, Their Legacy, and Why They Still Matter
A must-have volume for all Beatles fans-a career-spanning selection of writings about the Fab Four

There are, of course, many books on the Beatles, but this is the only one available that is a comprehensive, career-spanning collection of journalism about the legendary band, before and after the breakup. Consisting of more than fifty articles, essays, interviews, record and movie reviews, poems, and book excerpts-many of them rare and hard to find-*Read the Beatles* is an unprecedented compilation that follows the arc of the Fab Four's iconic and idiosyncratic career, from their early days in Liverpool through their tragic and triumphant histories after the group's split.

The book also includes original essays from noted musicians and journalists about the Beatles' lasting influence and why they still matter today.
