Each and every one of us has the ability to effect change—to make our world a better place. The dedicated women selected as this year's recipients of Harlequin's More Than Words award have changed lives, one good deed at a time. To celebrate their accomplishments, some of our bestselling authors have honored the winners by writing stories inspired by these *real-life heroines*.

We hope *More Than Words* inspires you to get in touch with the real-life heroine living inside of you.

In Carly Phillips's *Compassion Can't Wait*, two high school sweet hearts are reunited years later, as if by fate, and discover that if you believe in yourself and each other, anything is possible.

Donna Hill's *Someplace Like Home* tells the story of how one woman's dream becomes reality, as three special people learn that it's never too late to form a loving family.

In Jill Shalvis's *What the Heart Wants*, an honorable man must learn to forgive himself to regain the trust of the dedicated teacher who is the love of his life.
