It is the 31st century—a time of war. Vast star empires struggle for control of thousands of star systems light years apart. The ultimate weapon on these future, alien landscapes is the BattleMech®. Thirty feet tall and weighing up to a hundred tons, this humanoid engine of destruction is a walking arsenal with enough firepower to level a city block.

The Classic BattleTech Miniatures Rules™ set allows players to leave behind their paper maps and cardboard counters and jump into the exciting visual world of BattleTech® miniatures and full 3-D terrain. Lavishly illustrated with over a hundred photos, this book is a visual feast that brings the might and majesty of the marching armies—including every unit logo and flapping banner—of the Clans and House lords to the players.

This book also features a complete section on the MechWarrior: Dark Age™ game produced by WizKids Games LLC. This includes an introductory section and a color photo of every new infantry unit, vehicle and BattleMech in the game, quickly bringing BattleTech fans up to date on the MechWarrior: Dark Age universe. A rules section also allows players to use MechWarrior: Dark Age miniatures with Classic BattleTech rules. With the record sheet that will be published in the Classic BattleTech Record Sheets: MechWarrior Dark Age I, a whole new world of BattleTech play is available!

The actual book Classic Battletech Miniatures Rules has a lot info on it. So when you read this book you can get a lot of profit. The book was authored by the very famous author. Tom makes some research before write this book. This book very easy to read you will get the point easily after reading this article book.

Blake Westerman:

This Classic Battletech Miniatures Rules is great guide for you because the content which is full of information for you who have always deal with world and also have to make decision every minute. This particular book reveal it data accurately using great manage word or we can point out no rambling sentences within it. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but difficult core information with wonderful delivering sentences. Having Classic Battletech Miniatures Rules in your hand like obtaining the world in your arm, facts in it is not ridiculous one. We can say that no e-book that offer you world with ten or fifteen moment right but this publication already do that. So , this can be good reading book. Hi Mr. and Mrs. stressful do you still doubt that will?

Al Fraire:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Classic Battletech Miniatures Rules can make you truly feel more interested to read.
