**Wild Water Magic (A Stepping Stone Book(TM))** Lynne Jonell

**The reviews are in! Magical Mix-Ups is a high-quality, standout early chapter book series.**

Tate Willow is pretty and nice, and most people think she's smart. But Tate doesn't feel smart . . . until she falls into an old well in the backyard and her mind starts working double-time. She sails through her homework and can read a book in minutes. But keeping Tate in line is becoming a full-time job for her brothers and sister. She's strangely attracted to water of all sorts—streams, sprinklers, waterfalls. Can they get her wild water magic under control?

Lynne Jonell follows up her Minnesota Book Award finalist, Texas Bluebonnet Award Master List Title, and Junior Library Guild selection, *Hamster Magic*, with a fourth story of the Willow family's rowdy run-ins with mixed-up magic.
