## **Wisdom On ... Time and Money (invert)** Mark Matlock

There never seems to be enough time or money for what we want to do. Sometimes it can be overwhelming trying to manage our schedules—between school, work, sports, friends, and our family. And keeping track of our money—and using it wisely—can be just as challenging. It may not be something you think of very often, but whenever you hit a time or money crunch, a little wisdom could help.

Inside the pages of this book, you'll find biblical principles and practical tips to help you manage your resources better. You'll even be challenged to try a few “projects” that can show you how wisdom can help you stay on top of your time and your money.

As you read Wisdom on Time and Money, you'll:

- discover what the Bible says about these invaluable resources
- explore your own motivations behind how you use your time and money
- gain practical tools and insight to help you use wisdom in these areas of your life

You'll find that this book will open your eyes to the reasons behind some of the time and money problems in life, and reveal how wisdom can help you use these resources to better your life and the world around you.
