Comunicación y lenguaje (Prosopopeya Manuales) (Spanish Edition)

Daniel Jorques Jiménez

Comunicación y lenguaje (Prosopopeya Manuales) (Spanish Edition) Daniel Jorques Jiménez
Estudio detallado del último siglo completo de historia de la lingüística y parte del actual, con unas implicaciones sociológicas y psicológicas que llevan consigo unas consideraciones metodológicas y didácticas diferentes. El texto presentado es fundamentalmente fruto de tal experiencia, pero también de un trabajo de recopilación y discusión crítica ?temática y bibliográfica? de materiales. Necesariamente deberá experimentar adaptaciones de forma e incluso de contenidos, que pueden ser aconsejables en función de las posibilidades organizativas de las materias actuales a las que en principio se destina en las actuales titulaciones filológicas y traductológicas del Estado. Es, en definitiva, una contribución a una tarea compleja, difícil, pero imprescindible. Este segundo volumen incluye el estudio de la Lingüística Natural desde su modelo fundacional hasta los de última generación, el de la clásica Lingüística de la Enunciación y, en forma de anticipo, una panorámica completa de los hitos más relevantes en Lingüística Forense especializada: en el marco de la violencia doméstica con maltrato infantil y abuso de menores.
