## **Mujeres de la Biblia Judía (Spanish Edition)** Xabier Pikaza Ibarondo

Obra amplia, documentada y rigurosa sobre el papel de la mujer en el judaísmo antiguo; tanto de los libros del canon hebreo (Miqrá), como de los libros Deuterocanónicos añadidos en la diáspora helenista entre los siglos II-I a.C. y que son parte de la Biblia de los Setenta, LXX. Por eso, no es un libro de carácter biográfico, buscando extraer lecciones espirituales o morales, sino que analiza la imagen, la personalidad, la conducta y el proceder de cada una de ellas a la luz del pensamiento de los escritores sagrados y la teología rabínica; tratando de desentrañar el por qué se las presenta de ese modo, el motivo de los detalles particulares que de cada una cuentan, y el mensaje simbólico y subliminal que se busca comunicar. La obra se divide en tres partes: 1. Mujeres del recuerdo: en el principio. Las mujeres antes del exilio babilónico. 2. Mujeres en crisis: el contexto judío. La mujer en el pre-exilio, exilio y post-exilio.(Siglos VI-V a.C.). 3. Mujeres como símbolos: las grandes mujeres del judaísmo. Analiza la figura histórica o simbólica de estas. Descubre que mediante una lectura cuidadosa de toda la Biblia desde la perspectiva de la mujer, como hace este libro, nos ayudará a entender y resolver mejor el tema de la mujer, no sólo en la Biblia judía, sino en la historia y futuro de la humanidad. Se incluyen índices de personas y temas, que convierten el libro en un verdadero y útil Diccionario Bíblico sobre la Mujer, y una completa bibliografía y un extenso aparato crítico de notas a pie de página,. Una de las mejores obras académicas y la más actual y amplia sobre el tema, cuya lectura exige haber pasado por un seminario teológico o preparación universitaria de nivel medio-alto.
