American Biker: The History, The Clubs, The Lifestyle, The Truth expands upon filmmaker Randall Wilson's documentary, American Biker is perhaps the most comprehensive and introspective look at the biker world ever compiled. American Biker, the book, takes the four elements of its subtitle-the history, the clubs, the lifestyle, and the truth-and delivers on each with powerful impact.

The History of the machine itself is there, of course, but more importantly, American Biker delivers a history of the motorcycle culture told from the inside; from those who have truly lived it.

The Clubs-the MC-are reverently explored with an honest voice that doesn't come from law enforcement infiltrators, snitches, money-oriented opportunists, biased media, or anyone else on the outside of the culture.

The Lifestyle-the image-is also examined; from the often fantasy-driven entertainment industry, to the weekend-warriors, to those who have truly made "all of this" a way of life.

And because it is written from the inside, The Truth on all issues and aspects of the biker world is never compromised-even when discussing controversial topics. From club politics to "Property of" patches, from cop clubs to racism, American Biker never backs down.

The "voices" of truth in American Biker include former United States Senator Ben Nighthorse Campbell; Easyriders Europe Editor, Michael Stein; actor and biker Robert Patrick; Motorcycle Hall of Famers John "Rogue" Herlihy and Keith Ball; President of the mother chapter of the Hessians MC, "Spike"; longtime member and officer of the Vietnam Vets MC, "Popeye"; documentary filmmaker Randall Wilson; bikers "on the street," from Daytona to Sturgis to Hollister; and many, many more.

American Biker is a must-read for anyone wanting to truly understand the biker lifestyle. Published by Flash Productions, LLC.
