National Audubon Society

AUDUBON WILDFLOWERS CALENDAR 2013 National Audubon Society

They bloom in mountain meadows, woodlands, prairies, even the driest deserts—wildflowers are vibrant but ephemeral beauties, embellishing landscapes with strokes of color before disappearing for another year. With a dozen photographs that capture wildflowers in their native environments, this calendar is a tribute to North America's loveliest blooms. Beds of Dune Evening Primrose spread over a sandy California desert. Yellow Arnica and pink Monkeyflower grow unrestrained in a mountain field. And ethereal purple Pasqueflowers herald spring in the Arctic National Wildlife Refuge. It's pure artistry by nature's hand.
