The Day of the Swans Linda M. James

If memories give us our identity, what happens if someone gives us false ones and makes us believe them? The relationship between Stefan, a charismatic stalker, and Anna, a clinical psychologist is both intriguing and erotic. When Stefan tells her that she's his long-lost sister she believes she's treating a highly delusional man. But after she discovers that her parents have been lying to her, Stefan invades not only Anna's life, but her dreams as well. Who is telling the truth?
