*Breaking Bad* showrunner Vince Gilligan wants to believe that heaven exists, but he "can't not" believe there's a hell.

Throughout this fascinating show depicting the shocking life and tragic times of Walter White, Gilligan offers his singular glimpse into a morally amoral universe, a place not unlike the world we live in.

*The Gospel According to Breaking Bad* takes a thoroughly Christian look at AMC's popular and critical TV hit.

Covering such weighty theological issues like identity, death, justice, power, fate, free will, and the gospel itself, listeners will be coerced into thinking more deeply about the universal questions *Breaking Bad* asks. In sections covering the colors and metaphors of *Breaking Bad*, fans will also come to a further appreciation for one of the most well-done TV series in recent history.

More than just an entertaining RV ride through the Albuquerque desert, *Breaking Bad* presents two unique characters, Walter White and Jesse Pinkman, each on notably different trajectories in their lives.

Are either redeemed by series' end? What do our reactions to their stories tell us about ourselves?

*The Gospel According to Breaking Bad* seeks to tell the old, old story through one of the most visceral and alluring stories of the present.
