The Veteran Frederick Forsyth

Frederick Forsyth, The Master Storyteller, Presents Five Brilliantly Ingenious Tales of Murder, Justice, Intrigue and Revenge

A miracle in war-torn Siena that begins with the persecution of a young nun in the turbulent days of the sixteenth century and culminates in the bitter German retreat from Italy; a drug-smuggling heist on an international flight where the knock are only one step ahead of the smugglers; a ruthless urban murder, where a brilliant QC decides to defend the killers, resulting in a startling act of justice; an incandescent art scam at a famous London auction house, and a brilliantly plotted revenge that shatters the elegant world of Old Masters - each story is a remarkable tour de force.

And above all here is a brilliant novella, 'Whispering Wind', which begins with the single survivor of Custer's Last Stand at the battle of Little Big Horn. It follows the defense from rape and murder of a Cheyenne girl and a flight across the mountains and forests of the West, ending in a savage present-day manhunt in the wild lands of Montana.

Whether his theme is international espionage, miraculous events in war-torn Italy or a Customs drug bust, the stories in *The Veteran* all share Forsyth's trademark for compulsive storytelling, his clinical eye for authentic detail and an unnerving sense of suspense.

Not since his *New York Times* bestselling story collection *No Comebacks* has he crafted such remarkable work.

Five breathtaking tales from the greatest storyteller of them all.
