Jennie Lee: A Life Patricia Hollis

First published in 1997, Patricia Hollis's biography of the pioneering Labour MP Jennie Lee (1904-1988) won both the Wolfson History Prize and the Orwell Prize. It is the definitive study of this remarkable woman, her stormy political career, and her marriage to Aneurin Bevan. In a new preface to this edition Hollis adds insights into Lee's life which emerged subsequent to first publication, and also draws on her own experience as a Labour Minister from 1997-2005.

'Lee's lives and loves, passions and drives are beautifully and frankly explored in Patricia Hollis's compelling book.' *THES*

'Superbly researched, engrossingly written, scrupulously honest.' Gerald Kaufman, *Daily Telegraph*

'What makes it particularly fascinating is the author's own first-hand knowledge of politics and of the Labour movement.' *TLS*

'One of the best political biographies of recent years' Alan Watkins, *New Statesman*

You can m0ore quickly to read this book from your smart phone. The price is not very costly but this book possesses high quality.

Kathleen Jones:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's internal or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Jennie Lee: A Life can make you experience more interested to read.
