Native by Design: Landscape Design with New Zealand Plants

Native by Design: Landscape Design with New Zealand Plants

Twenty of New Zealand's top landscape architects and designers offer their wisdom and advice on the subject of landscaping with native plants in this extraordinary book. Presenting a project per chapter, this guide showcases some of New Zealand's most beautiful outdoor environments, including private gardens, public recreation land, urban and industrial spaces, and even farmlands. With photographs capturing the uniqueness and splendor of each location—from Kaeo in the Far North to Queenstown in the south—this account is a forum by which the experts communicate their vision, passion, experiences, and challenges while imparting their knowledge unto present and future gardeners.
