The Hypothetical Girl

Elizabeth Cohen

The Hypothetical Girl Elizabeth Cohen

Love meets technology with a dash of quirk in this collection of highly original short stories

An aspiring actress meets an Icelandic Yak farmer on a matchmaking Web site. An online forum for cancer support turns into a love triangle for an English professor, a Canadian fisherman, and an elementary school teacher living in Japan. A deer and a polar bear flirt via Skype. In *The Hypothetical Girl* a menagerie of characters graze and jockey, play and hook up in the online dating world with mixed and sometimes dark results. Flirting and communicating in chat rooms, through texts, e-mails, and IMs, they grope their way through a virtual maze of potential mates, falling in and out of what they think and hope may be true love.

With levity and high style, Cohen takes her readers into a world where screen and keyboard meet the heart, with consequences that range from wonderful to weird. *The Hypothetical Girl* captures all the mystery, misery, and magic of the eternal search for human connection.
