## **Olio e Aceto: Versione Speciale di Oil & Water (Italian Edition)** Torindo Colangione

Un bellissimo effetto fra i classici della cartomagia che utilizza i colori delle carte per rappresentare due elementi come l'olio e l'aceto che per la loro natura non potrebbero mai mescolarsi insieme, e questo viene dimostrato appunto con i colori delle carte i quali pur mescolandoli si separeranno sempre sotto gli occhi degli spettatori.

Con questa versione oltre a creare l'effetto della separazione dei colori fra il rosso e il nero tenendo le carte a faccia in giù, potrete realizzare questo piccolo miracolo anche con le carte a faccia in su! dando quindi agli spettatori un impatto visivo molto forte! Non soltanto miscelando i colori rosso-nero-rosso-nero che poi inevitabilmente si andranno a separare in due mazzetti; uno tutte nere l'altro tutte rosse, ma proponendo un finale nel quale i due mazzetti separati tenuti a faccia in alto (uno rosso l'altro nero) messi l'uno sull'altro magicamente si fonderanno..dando dimostrazione che finalmente i colori saranno miscelati fra loro in maniera alternata quando poco prima gli spettatori avevano visibilmente verificato la separazione dei colori nei due mazzetti.

L'effetto è spiegato dettagliatamente e sono presenti chiare immagini di supporto alla lettura.
