Orientación básica para recién convertidos (Spanish Edition) Sr. Wilfredo Calderón

Esta edición revisada y ampliada de Orientación para Recién Convertidos es de gran utilidad para muchísimos pastores, especialmente para los que utilizaron la edición anterior. En sus nueve capítulos, usted encontrará instrumentos de repaso y consolidación. Si bien esta obra se presta para que la lea el creyente nuevo, es mucho más eficaz si se usa como manual de estudio para las primeras semanas de preparación de nuevos miembros. A pesar de que el enfoque central del libro es el recién convertido, todo creyente puede beneficiarse de su lectura. Inclusive los que son miembros activos todavía necesitan afianzar las primeras etapas del conocimiento práctico de la Biblia y la vida cristiana. Todo esto y mucho más puede lograrse con un manual tan sencillo, pero a la vez abundante en recursos espirituales, como este.
