### Re-Engineering Your Life Nanette Turner

Do you ever ask yourself, What happened? How did I get here? Do you think that big business, the economy or others are in charge of your life? Think again! Living your life in joy and anticipation, incorporating the things you want to do in your life each and every day is within your ability! In Re-engineering Your Life, author Nanette Turner offers advice on discovering the influences that can sidetrack you, and outlines a system for discovering how to revamp your life in order to get what you want, even in today's difficult circumstances. Your life is too precious to not be living it to your fullest potential, so be excited about it and go after the things you want to do! By understanding your personal puzzle, you might be very surprised to find out what is actually keeping you from your desires! Author Nanette Turner and her husband have enjoyed life sailing in many locations around the world and make their home port on Long Island, New York. She has worked for over thirty years in the corporate environment, investing her time in the training and mentoring of others, encouraging them to follow their dreams. Her passion for helping others to achieve their goals, combined with her experiences among people of vastly different cultures and ages, has inspired her to write so that others can share in the joy of the journey of life.
