This full and brilliant book is the classic on fly fishing for steelhead trout. It is the culmination of a lifetime of study by the world's finest writer on the species, and offers practical advice on all aspects of the sport. There are exceptional chapters on the fish itself, the tackle and techniques used to pursue it under diverse circumstances, and such great steelhead rivers as the Deschutes, the Dean, the North Umpqua, the Bulkley, the Rogue, and the Babine. Memorable profiles detail the modern masters and the fly patterns they developed, with a color insert and black-and-white photographs throughout.
