## **Underground Passages: Anarchist Resistance Culture, 1848-2011** Jesse Cohn

An exhaustive study of the richly textured "resistance culture" anarchists create to sustain their ideals and identities amid everyday lives defined by capital and the state, a culture prefiguring a post-revolutionary world and allowing an escape from domination even while enmeshed in it. Whether discussing famous artists like Kenneth Rexroth, John Cage, and Diane DiPrima, or relatively unknown anarchist writers, Jesse Cohn clearly links aesthetic dynamics to political and economic ones. This is cultural criticism at its best.

**Jesse Cohn** is the author of *Anarchism and the Crisis of Representation: Hermeneutics, Aesthetics, Politics*, and an associate professor of English at Purdue University North Central in Indiana.
