"Modan delights in bringing the subtlest emotional shadings to vivid and often comical life on the page...[*The Property* is a] wryly funny and ultimately wrenching graphic novel." -NPR

The award-winning author of *Exit Wounds* returns with a story about secrets, money, and the bonds of love

The Property is a work that will inspire, fascinate, and delight readers and critics alike. Savvy and insightful, elegant and subtle, Rutu Modan's second full-length graphic novel is a triumph of storytelling and fine lines.

After the death of her son, Regina Segal takes her granddaughter Mica to Warsaw, hoping to reclaim a family property lost during the Second World War. As they get to know modern Warsaw, Regina is forced to recall difficult things about her past, and Mica begins to wonder if maybe their reasons for coming aren't a little different than what her grandmother led her to believe.

Modan offers up a world populated by prickly seniors, smart-alecky public servants, and stubborn women-a world whose realism is expressed alternately in the absurdity of people's behavior and in the complex consequences of their sacrifices. Modan's ever-present wit is articulated perfectly in her clear-line style, while a subtle, almost muted color palette complements the true-to-life nuances of her characterization. *Exit Wounds* made a huge splash for this signature combination of wit, style, and realism, and *The Property* will cement Modan's status as one of the foremost cartoonists working today.
