A creative renaissance blooms in Brooklyn. At its heart is a thriving community of artisans producing a remarkable variety of handmade goods. In *Brooklyn Makers*, photographer Jennifer Causey captures the spirit of this homegrown movement by documenting thirty of the borough's most celebrated craftsmen. This eclectic mix of established and up-and-coming makers includes bakers, ceramic artists, clothing designers, florists, distillers, and more. With an eye for small details, Causey's charming photographs reveal each artisan at work in their own space. Her lively interviews reveal what inspires them, keeps them motivated, and their thoughts on the city where they live and work.
