Out of the shadows...

For more than a decade, Caro Barrett has had doubts about the death of her husband, who disappeared while looking for a tribe of day-walking vampires in an African rainforest. A hemisphere away in a windowless compound, an Ottoman vampire lies dying from a rare blood disease, which has made him vulnerable to the faintest bit of light. Yet he is determined to vanquish its power over him—to feel the sun on his face one last time. And in Caro's darkest fears he will be lifted into the light of day...
