Washington Douglas Southall Freeman

"Freeman's treatment of Washington as a Commander in Chief is virtually definitive" (*The New York Times Book Review*).

Washington is the most complete, definitive one-volume biography of George Washington ever written. In 1948 renowned biographer and military historian Douglas Southall Freeman won his second Pulitzer Prize for his new and dramatic reexamination of George Washington. For years biographies had gone from idolatry to muckraking in their depictions of this somewhat marbled Founding Father. Freeman's new interpretation was a fresh step, making Washington a living, breathing individual, flawed but heroic. An able commander who defeated the British Empire against incredible odds, Washington proved to be just as adept at wielding political power, and adroitly steered our new loosely called nation through the first stormy years of our unproven federal stewardship and the first two presidential administrations.

Here with an introduction by Pulitzer Prize winner Michael Kammen, who puts the writing and publication of *Washington* into perspective, and an afterword by Pulitzer Prize winner Dumas Malone, who explains the travails of Freeman's grinding work, *Washington* is the most comprehensive biography available, and its value as an important classic has never been more evident.

From reader reviews:

Ana Lopez:

What do you think about book? It is just for students since they are still students or the idea for all people in the world, what best subject for that? Just you can be answered for that question above. Every person has various personality and hobby for each and every other. Don't to be obligated someone or something that they don't desire do that. You must know how great along with important the book Washington. All type of book could you see on many options. You can look for the internet methods or other social media.

Robert Beck:

The knowledge that you get from Washington is a more deep you looking the information that hide within the words the more you get serious about reading it. It doesn't mean that this book is hard to be aware of but Washington giving you joy feeling of reading. The copy writer conveys their point in a number of way that can be understood by simply anyone who read this because the author of this book is well-known enough. This kind of book also makes your own personal vocabulary increase well. That makes it easy to understand then can go along with you, both in printed or e-book style are available. We propose you for having this Washington instantly.

Paul Howell:

Reading a reserve can be one of a lot of exercise that everyone in the world likes. Do you like reading book thus. There are a lot of reasons why people enjoyed. First reading a reserve will give you a lot of new info. When you read a publication you will get new information since book is one of various ways to share the information or even their idea. Second, reading through a book will make you more imaginative. When you looking at a book especially fictional book the author will bring one to imagine the story how the figures do it anything. Third, you are able to share your knowledge to others. When you read this Washington, you may tells your family, friends in addition to soon about yours publication. Your knowledge can inspire the others, make them reading a guide.

Karen Saldivar:

Precisely why? Because this Washington is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will shock you with the secret it inside. Reading this book next to it was fantastic author who all write the book in such incredible way makes the content inside of easier to understand, entertaining means but still convey the meaning fully. So , it is good for you for not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of gains than the other book have got such as help improving your ability and your critical thinking technique. So , still want to delay having that book? If I were being you I will go to the e-book store hurriedly.
