## **Little Reef and Other Stories** Michael Carroll

*Little Reef and Other Stories* announces the arrival of an original voice in literature. From Key West to Maine, Michael Carroll's debut collection of stories depicts the lives of characters who are no longer provincial but are not yet cosmopolitan. These women and their gay male friends are "B-listers" of a new, ironic, media-soaked culture. They live in a rich but increasingly divided America, a weirdly paradoxical country increasingly accepting of gay marriage but still marked by prejudice, religious strictures, and swaths of poverty and hopelessness. Carroll shows us people stunned by the shock of the now, who have forgotten their pasts and can't envision a future.

Winner, Sue Kaufman Prize for First Fiction, American Academy of Arts and Letters

Finalist, Gay Fiction, Lambda Literary Award

Finalist, Edmund White Award for Debut Fiction, Publishing Triangle
