Love at First Click: The Ultimate Guide to Online Dating Laurie Davis

One in five relationships starts on an online dating site, but little straightforward guidance exists for users. Enter digital dating whisperer Laurie Davis . . .

In a world where we communicate as much via texts as we do through body language, this book empowers readers to log on and double click for love, taking them through the journey all online daters face—from choosing the right site, creating a profile, and navigating dates, to logging off with their perfect match.

Love @ First Click is every online dater's guide to exploring the web with no-fail techniques. For example, uploading the right photos can attract someone who might otherwise pass you over. Setting a time limit on the first meet-up can leave your date excited to see you again. And the phrasing in your date's thank-you text after dinner can uncover how your click mate *really* feels about you.

Whether you're a digital dating vet or virgin, this is the ultimate guide to online dating that will take your online crush to offline love.
