Canadians everywhere are asking: what's wrong with the Conservative Party? The Liberal Party of Canada has held power for 70 of the past 100 years—a feat unrivaled by any other political party in the Western hemisphere. This dominance has caused a great deal of frustration on all political fronts, especially on the right, and the long-awaited merger of the Canadian Alliance and the Progressive Conservatives has not achieved the results many were expecting. In *Rescuing Canada's Right*, the authors examine the problems facing the Conservative Party and the broader conservative movement, and offer concrete solutions on how to fix them. *Rescuing Canada's Right* will be a hard-hitting and groundbreaking work that will introduce new ideas and a passionate call for change for 21st century Canada.
