Raùl Castro (Nargre) (Italian Edition) Vecchioni

Chi esattamente è Raúl Modesto Castro, un uomo sempre vissuto all'ombra del fratello maggiore Fidel e che oggi ha la responsabilità di continuare la Rivoluzione socialista dei mitici barbudos e, nello stesso tempo, l'obbligo di salvare l'economia pianificata del paese con gli strumenti del mercato? Comunque la si pensi, sarà particolarmente interessante conoscere un po' più da vicino Raúl Castro, un personaggio volontariamente rimasto sempre dietro le quinte, discreto, silenzioso, restio alle luci della ribalta. Un personaggio che si presenta ai più con connotazioni opache, misteriose, se non enigmatiche. Domenico Vecchioni, ci descrive, con il suo consueto stile rapido, efficace ed accattivante, le principali vicende biografiche dell'attuale Presidente cubano. Senza compiacenze né reticenze, ne delinea i contorni di un personaggio che, suo malgrado, si trova di fronte ad un bivio epocale per l'avvenire del proprio paese. Senza possibilità di impensabili ritorni al passato o di mantenimento di un problematico presente: insomma, evoluzione o repressione? Leggendo la sua storia personale, risulterà forse più agevole interpretarne le (in)decisioni, le valutazioni e le visioni.
