## **El supermercado de las sectas (Spanish Edition) Rius**

Este libro -escribe Rius- intenta desenmascarar a las sectas, sean budistas, católicas, protestantes o mexicanas, y liberar de telarañas a los ingenuos e ingenuas (sobre todo) que andan "a la búsqueda del camino de la luz".

Producto de una investigación en serio, El supermercado de las sectas disecciona en primer lugar los engañosos mecanismos que utilizan gurús, pastores, "maestros espirituales", etc., para engatusar a sus clientelas. De dichos mecanismos se valen, incluso, las sectas católicas, porque, como demuestra Rius, las principales agrupaciones sectarias se presentan en el seno mismo de las religiones establecidas; en el caso católico hay que destacar al Opus Dei y a los Legionarios de Maciel.

Pero el repaso abarca prácticamente a todas las sectas que han proliferado en el mundo contemporáneo y que han hecho estragos entre los ingenuos y bienintencionados. Así, la lectura de este informado y divertido libro proporciona un blindaje eficaz para no caer en las garras del fanatismo seudo espiritual.
