Little Squire: The Jumping Pony (True Horse Stories) Judy Andrekson

Little Squire was born in an Irish meadow on an early spring day. The colt was beautifully formed with strong, straight legs and a pretty head. But due to his small size, it was unlikely he would be more than a nice child's riding pony. By the following spring, the yearling was separated from his mother and turned out to pasture with the other weanlings. Little Squire wasn't happy to be away from his dam so he charged the high stone wall and cleared it easily. Little Squire had just shown an astonishing side of himself that would eventually bring him greatness.

Over time, the young horse traded hands, crossed an ocean, and ended up on the American show-jumping circuit. That was when he met another diminutive Irish immigrant, Mickey Walsh.

The two were inseparable until, at Mickey's request, Little Squire was retired at the top of his game, and while he was still sound. He went out in a blaze of glory, though, ending his last performance with Mickey by jumping a six-foot-two fence — rider-less — in front of a packed arena. During the war-torn 30s, Little Squire had given people something to cheer about.

From the Trade Paperback edition.

Christine Andrews:

Is it anyone who having spare time after that spend it whole day by watching television programs or just laying on the bed? Do you need something totally new? This Little Squire: The Jumping Pony (True Horse Stories) can be the reply, oh how comes? The new book you know. You are and so out of date, spending your time by reading in this completely new era is common not a nerd activity. So what these textbooks have than the others?

Dedra Clark:

As a scholar exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Little Squire: The Jumping Pony (True Horse Stories) can make you feel more interested to read.
