## **La sabiduría del eneagrama (Spanish Edition)** Zulma Inés Manzur

El Eneagrama es un milenario modelo de origen sufí que posibilita la interpretación del Universo, del mundo y del ser humano. Se compone, entre otros elementos de alto valor simbólico, de nueve puntos que aluden a igual número de personalidades básicas. Con sólo leer las características de cada una de ellas, usted se sentirá identificado con una: eso significa que pertenece a ese arquetipo psicológico o eneatipo. Una vez detectado su tipo, podrá tener un retrato más acabado de usted mismo y, lo que es primordial, una batería de herramientas para revertir sus características negativas y vivir mejor, desde todo punto de vista.
