Tangram Magnetic Puzzle-a-Day 2016 Calendar Jeff Cole

Tangram is the world's oldest puzzle game. It consists of seven geometric shapes, called "tans," that can be arranged into a seemingly endless number of shapes to depict people, animals, objects, and more.

The *Tangram* calendar provides a puzzle on each page to create hundreds of finished designs throughout the year. Simply slide the provided magnetic board behind a calendar page, then arrange and rearrange the seven magnetic tan pieces until they fit into the puzzle's border. It's fun!
