In this seventh installment in the Hannah of Fort Bridger series, twin tragedies set the stage for God's glorious provision. A vicious mountain lion attack leaves beautiful, young rancher Carrie Wright a widow. An outlaw on his way to prison escapes the law long enough to shoot Doug McClain's wife, making him the lonely father of a young daughter. Then heroine Hannah Cooper, newly widowed herself, comforts Carrie with the knowledge that while God's servants will tread through the valley of weeping, they will also keep moving toward another mountaintop. When employment opportunities bring Doug and Carrie together, unexpected sparks fly and finally they can envision a future "beyond the valley."
