Is his hometown going to break his heart?

Mike Kennedy's college pals at Cambridge refuse to believe that his hometown, Tide's Way, North Carolina, is the good-hearted Mayberry Mike depicts. They bet him money that no one in Tide's Way will offer him a helping hand if he spends a week disguised as a grungy, dangerous-looking homeless guy. Mike takes the bet.

So there he was, spending a chilly, rainy Spring break shivering and hungry under an old tarp draped over the railing of the bandstand on Tide's Way's small common. Three days had gone by without anyone offering him so much as a cup of coffee. He hated to lose the money he'd wagered but even worse, he hated that his hometown was apparently not what he'd thought it was. Would anyone prove that Tide's Way lived up to its ideals?

Skye Taylor has been a member of Romance Writers of America since 1995 and of the Ancient City chapter in St. Augustine, Florida, for the last six years, where she's served as secretary, conference chair and treasurer. Her publishing credits to date include several non-fiction essays about life as a Peace Corps Volunteer, one mainstream political intrigue, *WHATEVER IT TAKES*, and the Tide's Way series.
