With a unique combination of **targeted online lectures**, **vast online image collections**, and an **easy-to-follow supporting atlas**, Dr. Elston's highly acclaimed "**dermatopathology made easier**" approach presents a unique way to master the foundations of this complex dermatology sub-specialty, guiding you through the diagnosis of the most important and common dermatologic pathology findings seen in practice.

- Effortlessly find all the information you need **to know about each topic** thanks to a highly user-friendly full-color format and a consistent chapter template.
- **Recognize the presentation of most major dermatopathology lesions** through abundant high-resolution histopathology examples, with labels and pointers highlighting key aspects of each slide and providing additional clarity.
- **Access the full text and more online at expertconsult.com**, including 26 virtual lectures by Dr. Elston, clinical and dermatopathology image atlases, and a virtual slide library.
- **Easily focus on the most important "takeaways" and "must-knows"** for each topic through the use of color key points, differential diagnosis, and pearls.
- **Learn directly from the experts themselves** by "attending" lectures online in a virtual lecture room.
