Clymer repair manuals provide step-by-step procedures based upon the complete disassembly of the machine. This hands-on experience combined with extensive research results in a manual that is both detailed and user-friendly. Hundreds of original photos and illustrations guide the reader through every job, making it easy to reduce repair costs. Whether it is routine maintenance, such as tune-ups and brake service, or more extensive repairs involving engine and transmission disassembly. Clymer manuals provide reliable information required to perform the job. Accurate, clear and concise text, combined with detailed illustrations and photography, make it possible for the novice motorcycle enthusiast to safely and enjoyably service their vehicle. While at the same time, the in-depth coverage provides indispensable information for those tackling more complicated procedures. Like all Clymer motorcycle repair manuals, this book also contains: Step-by-step instructions; Detailed and exploded views and photos; Bold figure numbers to quickly match instructions with illustrations and photos; Easy-to-follow wiring diagrams; Thumb-tabbed chapters for quick access; Two-column layout with large print; Numbered table of contents and extensive index
