Sally's Bones MacKenzie Cadenhead

2 Months, 28 Days, 9 Hours, and 12 minutes earlier...

Sally Simplesmith's life changed forever. She came face-to-face with death - a delightful, dearly departed little dog she lovingly calls Bones. But when the cadaverous canine is accused of a crime he didn't commit, Sally decides to solve the case herself!

Does Sally have what it takes to fetch a thief?

Sally's Bones is the impossibly possible tale of a girl, a crime, and a lovably lifeless, decidedly dead dog.
