The Treasury of Knowledge: Books 9 and 10: Journey And Goal Jamgon Kongtrul

Jamgön Kongtrul's ten-volume *Treasury of Knowledge* is a unique, encyclopedic masterpiece embodying the entire range of Buddhist teachings as they were preserved in Tibet. Tibetan Buddhist teachers expected their students to study Buddhist philosophical texts as well as practice reflection and meditation; present-day students have also realized that awakening has its source in study as well as in reflection and practice.

Journey and Goal focuses on the spiritual path—the journey and the resultant state of enlightenment to which it leads—the goal. Extensively varied perspectives are offered not only from within the many schools of Buddhism but also from the different levels of practice and attainment. This is in fact the most comprehensive treatment of these themes to appear in the English language.
