The Woman Who Married a Cloud: The Collected Short Stories

Jonathan Carroll

The Woman Who Married a Cloud: The Collected Short Stories Jonathan Carroll
Nominated for a 2012 Bram Stoker Award and a 2013 British Fantasy Award: Thirty-eight extraordinary stories from award-winning author Jonathan Carroll

For more than thirty years, Jonathan Carroll's writing has defied genre conventions. Known for his novels—including *The Land of Laughs*, *Bones of the Moon*, *Sleeping in Flame*, and many other compelling and often surreal stories—Carroll has also created an eloquent body of short fiction. *The Woman Who Married a Cloud* brings his stories together for the first time. In the title story, a matchmaking effort goes awry and leads one woman to a harrowing moment of self-discovery. In "The Heidelberg Cylinder," Hell becomes so overcrowded that Satan sends some of his lost souls back to Earth. And in "Alone Alarm," a man is kidnapped by multiple versions of himself. By turns haunting, melancholic, and enchanting, Carroll's richly layered stories illuminate universal experiences, passions, and griefs. Described by NPR's Alan Cheuse as "so richly imaginative, so intellectually daring," *The Woman Who Married a Cloud* is essential reading for Carroll fans and short-story lovers alike.

This ebook contains an exclusive illustrated biography of the author including rare images from his personal collection.

It should be here for anyone. So , don't miss this! Just read this e-book style for your better life in addition to knowledge.

Lillian Vaughn:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart or real their hobby. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring and

also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Woman Who Married a Cloud: The Collected Short Stories can make you really feel more interested to read.
